

The Apprenticeship Levy

Thursday 9th March 2017

The Lighting Industry Association

Shropshire Constructing Excellence (SCE) is a business network focused on supporting the construction sector by:

- sharing best practice
- promoting modern methods of construction
- providing a range of informative events on different industry issues.
- excellent opportunity to network with like-minded companies,
- explore innovative collaborative opportunities,
- exchange information and find out about new developments in Shropshire and beyond.
